On December 17, 2016 at approximately 0638 hours, Red Oak Police Department personnel were dispatched to the 100 block of Red Wolf Lane (Fox Hollow Subdivision) in reference to a burglary of a motor vehicle in progress. The on duty dispatcher stated that the reporting person advised that three black male suspects wearing blue jeans and dark clothing were breaking into vehicles and that the suspects began running towards State Highway 342.

Officer Whittenberg arrived in the area and made contact with the reporting person which stated that he opened his garage door and noticed the driver side door of his vehicle was open and observed two black male subjects rummaging through the inside of a neighbor's vehicle. Officer Whittenberg identified a total of seven vehicles that had been left unsecured and had been entered with passenger compartments ransacked. No forced entry was made into any of the vehicles. Three of the seven vehicle complainants advised that they had property missing from their vehicles while the other four stated that nothing was missing and did not wish to file a report.

Officer Nelson had also arrived in the area and observed a vehicle attempting to leave the area at a high rate of speed committing several traffic violations. Officer Nelson stopped the vehicle for the traffic violations. Officer Nelson made contact with four black male occupants inside the car wearing clothing consistent with the information that had been provided by the reporting person. The driver identified himself as Young, Terrance 12/25/1995 of Mesquite, Texas. Sgt. J. Meeks arrived on scene and the two rear occupants identified themselves as juveniles with no identification while the other occupant identified himself as Flowers, Donya Monique 11/9/1998 of Rockwall, Texas.

While Sgt. Meeks was interviewing the occupants in the vehicle, he observed a small baggy containing marijuana. A probable cause search revealed additional amounts of marijuana. Officer Whittenberg relayed additional information to Sgt. Meeks and Officer Nelson about items that were stolen from

several motor vehicles that he was currently investigating in the same area. As the subjects were being placed into custody, one of the subjects that had identified himself as a juvenile fled the scene on foot. Red Oak Police Department personnel with the assistance of Ovilla Police Department and Ellis County Sheriff's Office personnel searched the area but were unable to locate the subject and the three remaining subjects were secured into patrol vehicles.

Officer Whittenberg relayed the items missing from the three complainant vehicles to Officer Nelson and Sgt. Meeks which stated that they had recovered the items inside of the suspect vehicle. The reporting person arrived on the scene of the traffic stop and positively identified the three suspects in custody as being the same individuals that he saw running from his residence.

Upon further investigation, it was discovered that the other male subject that had identified himself as a juvenile had lied about his information and was identified as Crumpton, Onedja 1/15/1999 of Dallas, Texas.
